Dimensions (mm)	Finish	Product Ref
772 x 285	Stainless Steel	275750
772 x 285	Matt Black	275760

Sleek and discreet, the new Verve canopy hood from Miro is available in either stainless or matt black finish. This powerful canopy hood includes a powerful 4000K (Cool) LED light strip and a stylish luminous control panel. With a slim overall depth of only 285mm, this elegant new addition to Miro's extensive canopy hood selection will fit into all wall cabinets that are 800mm wide plus.
